

HONG KONG COLLEGE OF UROLOGICAL NURSING

CNE LECTURE SERIES

As mentioned before, the Hong Kong College of Urological Nursing endeavours to run ongoing CNE lecture series for nurses over the years, in addition to the summer Annual Scientific Meeting and the occasional ad hoc themed symposia and workshops. Following the success of seven successive CNE Lecture Series on 'Uro-Radiology', 'Uro-Infection', 'Neuro-Urology and Voiding Dysfunction', 'Prostate Care', 'Uro-oncology & Kidney Tumour', 'Management of Bladder Cancer' and "Prostate Cancer (Part 1)", the College will embark on the eighth series in the near future. The theme of the coming CNE Lecture Series will be a continuation of the ongoing curriculum; the topic will be '**Prostate Cancer (Part 2)**', focusing on the management of patients with advanced prostate cancer.

Objective

The lectures aim to provide basic revision cum update information, to serve the prime objectives of Continuing Nursing Education.

Target Candidates

These lectures are targeted at all nurses whose jobs are related to urology, or nurses who are simply interested in urology, particularly those who are for one reason or another unable to enroll onto a formal course in urological nursing.
